At PHA option, provide a brief overview of the information in the Annual Plan

Our Annual Plan is based on the goals and objectives of the Consolidated Plan. Here are just a few highlights of our Annual Plan:

We use local preferences -- for working families, seniors, the handicapped, people with disabilities, and victims of domestic violence.

- We are screening applicants to the fullest extent allowable while not taking the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- Applicants will be selected from the waiting list by scoring points based on preferences.
- We have established a minimum tenant rent of \$50.00 and implemented financial hardship exemption policies.
- We have set payment standards between 90% and 110% of the current FMR.
- We have applied for additional vouchers during the past year and will apply for additional vouchers this year.

In summary, we are on course to improve the condition of affordable housing in Roosevelt City.

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

X Other: (list below) Comment received from M. Nicole DuShane: I have reviewed the Housing Authority's Annual Plan. And I have a few questions concerning Homeownership. In the future, will there be any opportunity for extremely low and very low-income citizens to purchase homes? If no, are there other options the citizens can pursue to accomplish the dream of purchasing a home? As a resident of Roosevelt and a person who has experience being low-income. I know this is a concern that I would like to be addressed. Response from PHA: At this time the PHA will focus their programs on rental assistance. The PHA provided all information available on homeownership programs available in the area through the Association of Governments, Utah Housing Finance Agency, Community Development Corporation, CROWN Homes, Rural Development, Farm Home Administration, HUD First Time Homebuyers and the CHAMP program. B. Statement of Consistency with the Consolidated Plan For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

C. Criteria for Substantial Deviation and Significant Amendments

1. Consolidated Plan jurisdiction: (provide name here) Uintah Basin

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A substantial deviation from the 5-year plan would be changing the focus of the Roosevelt City Housing Authority from rental assistance programs to homeownership programs.

A. Significant Amendment or Modification to the Annual Plan:

At this time the Roosevelt City Housing Authority is not making any significant amendments or modifications to the Annual Plan. The Roosevelt City Housing Authority will continue to focus the programs on meeting the needs of low income citizens with rental assistance.

In the tables below, provide information on the PHDEP strategy summarized above by budget line item. Each goal and objective should be numbered sequentially for each budget line item (where applicable). Use as many rows as necessary to list proposed activities (additional rows may be inserted in the tables). PHAs are not required to provide information in shaded boxes. Information provided must be concise—not to exceed two sentences in any column. Tables for line items in which the PHA has no planned goals or activities may be deleted.
